COOKING EXPERIENCE 1/2 DAY ACTIVITY PROPOSAL

Designed activity for smaller groups from 5 – 20 pax max. capacity of the Restaurant - kitchen.
(bigger groups upon request and availability of larger location)

The Restaurant facilities, the staff including chef cook will be at exclusive disposal for the event.

The activity consists of cooking in small teams a complete menu of 4 courses accordingly to the target of guests and season a specific theme can be chosen.

For example: splitting the group in smaller groups with different tasks:

On part of the group will be assigned to take care of the table decoration including preparation of flower arrangement inspired by the nature. (before starting the group will take a short walk in the nature around in order to collect different leaves, flowers and all other decorative items from the nature. This part is also to be handled in team work and offers plenty of fantasy and creativity to the participants. Some items will be given accordingly to the Theme of the menu. Each team can also create a proper proposition how to place the plates, forks, knife, spoon and glasses, all work will be supervised and coordinated by a professional decorator.

The other group will prepare and cook the 4 course menu, a great team work !

The team building activity will end with a common lunch on the prepared table of the decoration team which will taste the complete menu of the cooking team and exchange experience. S
